Hi Angela,

My colleagues feel that 30 minutes might not be enough time to cover everything – would you be ok if we extended the briefing to 45 minutes instead?

Thank you!

Some of Sen. Feinstein's staff requested to be on the briefing as well, yes.

Is this a joint briefing with Feinstein's office?

Unfortunately we have a conflict at 3pm ET. Would Tuesday, June 8, 2pm ET or 4pm ET, or Thursday, June 10, 12pm/12:30pm ET work?

Thanks,

Hi Angela,

I just wanted to follow-up on the below – if a standalone briefing on the Montrose Chemical Corp. Superfund Site is still of interest to your office, please don't hesitate to let me know.

Thanks,

Hi Angela,

Thanks so much for joining Monday's briefing! As a follow-up, I'm happy to schedule a standalone briefing for your office on the Montrose Chemical Corp. Superfund Site (inclusive of the PV Shelf) – if it is still of interest?

If so, is June 8<sup>th</sup> at 3pm available?

Thank you,

Julia

Good afternoon Angela, Craig and Sarah,

I've added my colleague Sonam Gill as well. Sonam works in our Region 9 office, and she can help facilitate a briefing on the Montrose Chemical Corp. Superfund site and the deep ocean disposal of DDT near the Palos Verdes Shelf. We will work with folks on our end, and let us know timing on your end and we will try to set something up soon.

Thank you,  
Carolyn

Hi Radha, happy Friday! We wanted to reach out to request a briefing on the Montrose Chemical superfund site in LA. Is that something you can facilitate? Thanks so much.
